Acharya Sakshi Sanjeev Thakur & Ms. Harshita Thakur

Founder of Aditya Kundli, Renowned Astrologer | Numerologist | Vastu Expert

Brand Story

Aditya Kundli Pvt Ltd was born from a strong belief which is,
“Astrology Should Help People To Grow, Not To Make Them Afraid”

Who would have imagined that a simple passion would grow into a trusted name, touching thousands of lives across the WORLD!

With over 25- years of experience, we create detailed Astrology Reports, easy-to-understand guidance, and educational content that truly makes a difference. Our goal has always been to empower people with real insights that they can apply to their lives.

Acharaya Sakshi Sanjeev Thakur’s journey, from deeply studying ancient scriptures to bringing that wisdom into today’s fast-paced world, is the heart of everything we do. Every report we prepare and every video we share, is driven by one mission: to make astrology clear, practical, and life-changing for everyone.

Our Vision

Is to make the wisdom of Vedic astrology simple, clear, and accessible to everyone, guiding individuals toward self-awareness, emotional strength, and life purpose. We aim to replace fear and confusion with trust, clarity, and meaningful insights, using our 25+ years of experience to help people grow, heal, and move forward with confidence.

Our Mission

Is to provide accurate, personalized astrology reports that help people understand their life path. We create practical, relatable content that educates, empowers, and uplifts, blending ancient Vedic wisdom with modern tools to fit today's lifestyle. With honest guidance, simple remedies, and a positive approach, we support people in their journey of growth and healing.

Our Value

We believe in authenticity, staying true to the roots of Vedic astrology and offering only time-tested insights. With empathy, we understand people's struggles and provide guidance with kindness, not fear. Our goal is clarity, making astrology simple and easy to understand for everyone. Above all, we build trust by being honest, accurate, and caring, fostering long-term relationships with our community.

How Collaboration Will Help Us Both

Let's Grow Together
